

77,845 people in the Dallas area have mental retardation.

92% of those with mental retardation receive no state assistance.

1 in 10 families are directly affected by someone with a mental disability.

64% of children who suffered from abuse last year have a disability.

**How giving one day
will help so many.**

12,500 individuals are helped each year by The Arc of Dallas.
Tens of thousands more need our help!

We need your help!

One Great Day is a simple concept.

1. Pick any day between October 15 and December 15, 2007.
2. Organize and hold a fundraising event that benefits the programs and services of the Arc of Dallas.
3. Compete with other groups for top prizes! Contests include Most Money Earned, Most Creative Fundraiser, Most Money with the Fewest Participants, etc. and more!
